

PIN THE CANDLE ON CUPCAKE!

What you'll need:

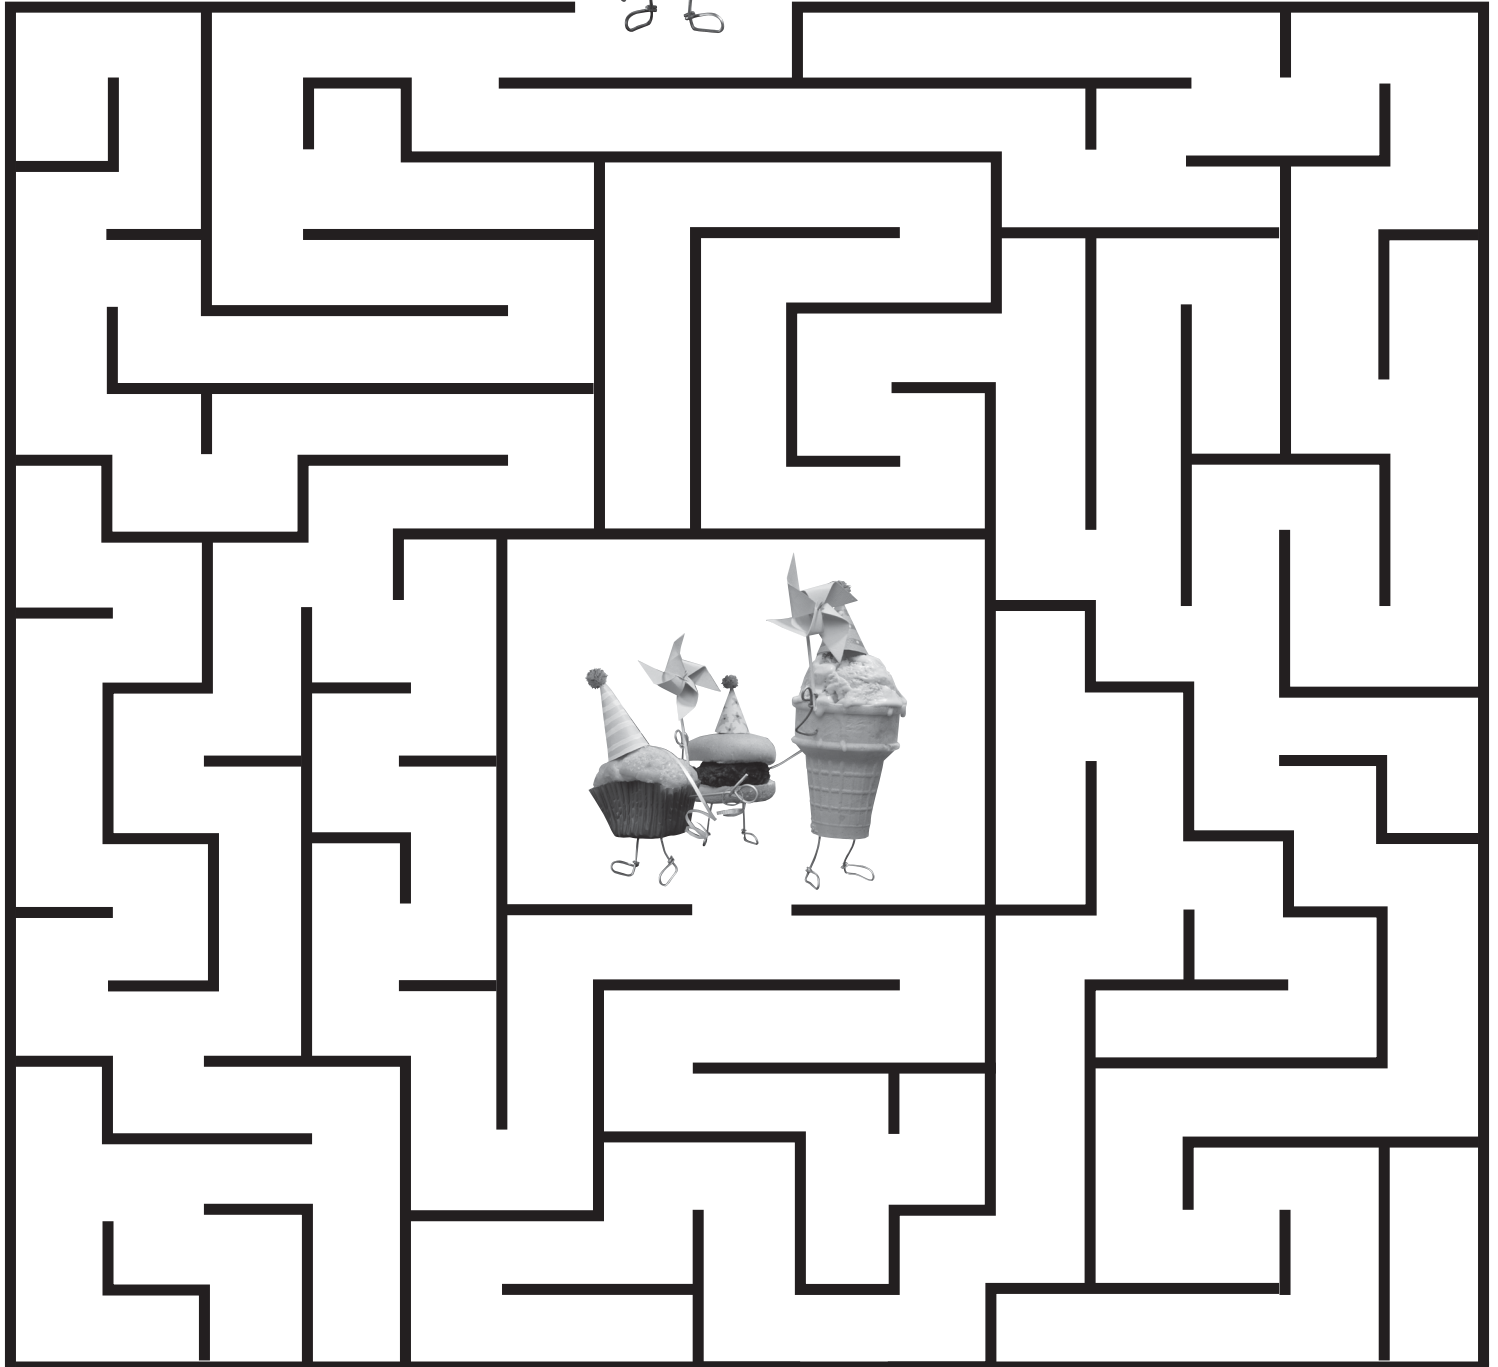

Scissors A blindfold Tape

- 1.) Make photocopies of the below candle so there are enough for each participant to have one. (Optional version: also make copies of enough cupcakes that everyone can try to pin a candle on their own cupcake!)
- 2.) Cut out the cupcakes and the candles, and color them in.
- 3.) Post Cupcake (or the multiple cupcakes) on the wall.
- 4.) Make loops of tape and stick them to the back of the cutout candles so they will adhere to the cupcake(s).
- 5.) Take turns blindfolding participants and spinning them around three times. As a participant finishes spinning, direct him or her over to where Cupcake is hanging to try to pin the candle in the right spot.
- 6.) Whoever comes the closest to pinning the candle in the right spot wins!
